

21st March 2017

Dear Parent/Carer

I write to inform you that Salford Academy Trust and Albion Academy will shortly begin the process of recruiting a new Principal, as Mrs Langley has taken the decision to resign and move on to a new challenge which she will begin after the Easter holidays. This is a decision I know she has not reached easily.

First of all, I would like to thank Mrs Langley for her dedication and commitment over the last 4 years. She has worked tirelessly to lead the school and bring about significant changes and improvements. On behalf of Salford Academy Trust, we wish her every success in the future.

I acknowledge that a change such as this will create a degree of uncertainty. I would like to personally reassure all parents and students that I am absolutely committed to ensuring that we have in place, the strong leadership necessary to continue to drive the school forward. After Easter, a new Interim-Principal will take on the responsibility of leading the school and will remain in post for as long as is necessary to ensure we get the right person to drive the school forward in the long term.

I will also have an increased presence in the school, as a former Principal to add further leadership capacity and ensure that we maintain and improve standards and to ensure that your son/daughter(s) receive the quality of education that they deserve. I will ensure that we communicate further with you after the Easter break and in the meantime, I am sure you would join me once again in thanking Mrs Langley for all that she has done.

Yours faithfully

*Mr Rowlands*

Mr K Rowlands
