

Dear Parent/ Carer

I am writing to you to invite you to attend a very important event at school on Wednesday 7th March 2018.

Your child must now make a choice about which subjects he/she will choose to study at GCSE level in Year 10 and Year 11. This can be a complicated decision as there are many courses to choose from. The purpose of the meeting is to give you as much information as you need to help your child make the correct, informed choices.

As with all options, the decision to study any subject should be carefully considered and in consultation with you, subject teachers, pastoral and senior leaders.

Of course students' interests, passions, aspirations and aptitude are the most crucial factors in options: both students enjoyment of their course and for the chance of success and achievement.

Your child will attend a special 'Options' assembly on Wednesday and you are invited to attend a parental information evening from 4pm-6pm on Wednesday 7th March. **It is essential that you attend this meeting with your child.**

At the meeting options information and choice forms will be given out. Refreshment will be provided. The event will give you the opportunity to speak to teachers and listen to subject leaders describe subject content and assessment expectations.

I would be grateful if you would complete the attached reply slip to inform me of your attendance. I look forward to welcoming you to the school on Wednesday.

Yours sincerely

Karl Mackey

Principal

I will/will not be attending the options information evening on Wednesday 7th March 2018.

Childs Name _____ Parent Signature _____

Please Return to form tutor before Wednesday
