

June 2018

Dear Parent/Carer,

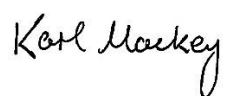

You will be aware from my letter last week and stories in the local news that there are possibly going to be some changes at trust level at the Albion Academy. Unfortunately some rumours and false information is also circulating so I am writing to you now to clarify our current position.

We are currently in negotiations with United Learning to join their Trust. United Learning operate approximately 60 primary and secondary schools in England, most of which are performing very well and providing wonderful opportunities for their young people.

This potential move has been approved by the Department for Education and Salford Local Authority. Moving from one trust to another is complicated and may take months but I will keep you informed throughout the process. Joining a much larger trust will provide us with greater opportunities for improvement and ultimately provide a better education and chances for your child and with that in mind, this potential change must be seen as a positive for the school. No decisions have been made as yet but as soon as I know any more I will let you know.

In the meantime you can check our website for any updates www.albionacademy.org or if you would like to speak to me in person you can make an appointment to see me by calling Mrs McGarvey on 0161 359 5114.

Yours faithfully

Karl Mackey
Principal
