

Friday 1st February 2019

Dear Parent/Carer

Welcome to United Learning

We wanted to welcome you all to our group on the school's first formal day as a United Learning academy. We are very pleased that all four Salford Academy Trust Schools are joining our group and we look forward to continuing working with you all.

Since September, we have been working closely with the Senior Leadership Team at The Albion Academy to ensure the transition to United Learning is smooth and successful. It is clear that the school is improving and we have been particularly impressed by the significant improvements that have been made in pupil behaviour and attendance.

The changes that have been put in place are making a positive difference but there is still a great deal to do to complete the school's transformation. We are committed to accelerating the progress, which is well underway and, through our network of experienced education advisers and subject specialists, staff will receive the support and guidance they need to raise standards further for all pupils.

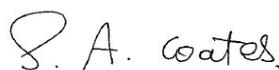

As well as ensuring academic success, at United Learning, we are committed to delivering an Education with Character – an education that seeks to develop character, compassion and service in all pupils. Across our schools, we provide pupils with a breadth of opportunities and experiences which seek to help them become confident, well-rounded and ambitious young adults. We look forward to offering these opportunities to Albion pupils and to welcoming them to our group-wide events and activities alongside our other schools in the North West.

We have begun the search for an exceptional Executive Principal to lead the two SAT secondary academies and expect to attract a strong set of candidates. We will let you know as soon as an appointment has been made.

With best wishes

Jon Coles
Chief Executive
