

Thursday, 7th February 2019

Dear Year 11 Parent/Carer

We are fast approaching the summer GCSE examination season for Year 11 students. We know that you want to support both your child and the Academy in making sure that our Year 11s achieve the best set of results possible to set them up for the wonderful future that they deserve and aspire towards.

Parental partnership is absolutely crucial for this and as a result, we have arranged an important series of Year 11 Parental Pledge events for Wednesday, 13th and Thursday 14th February. We appreciate that these have been set at short notice, however we know that these will prove to be very fruitful and informative.

These events will provide the opportunity for you and your child to meet with each of their Year 11 teachers to discuss the following:

- Current progress towards targets
- Predicted GCSE results in the summer
- Key topics, skills and content that need to be revised
- Revision guidance and resources
- The examination schedule

Each teacher will sign off their confirmed discussion with you and at the end of your visit, we will be able to complete the final key process; to confirm your child's formal examination entry list. This will not be possible if you do not attend and collect these signatures from your child's teachers.

We expect **all** parents to attend the Academy with their child during **one** of the following four sessions:

1. Wednesday, 13th February: 2pm to 4pm
2. Wednesday, 13th February: 4pm to 6pm
3. Thursday, 14th February: 2pm to 4pm
4. Thursday, 14th February: 4pm to 6pm

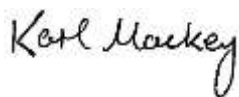

Food will be available and interpreters will also be present to assist you with discussions if needed.

I'm sure you appreciate the importance of these Parental Pledge meetings and thank you in advance for your cooperation.

We have every faith in our Year 11 students and know that you also want them to flourish.

Please complete and return the below slip to your child's form tutor by the morning of Monday, 11th February.

Yours faithfully

Mr K Mackey
Principal
