The best in everyone™
Part of United Learning

20th September 2019

Dear Parent/Carer,

I would like to congratulate our students on the excellent start to term they have made. I have been impressed by the way that they are approaching their studies in lessons and taking part in a variety of clubs and teams. I am especially impressed with the approach to the new reading scheme. As you know reading is vital to being a successful student and getting good results.

To ensure we build on the positive start I would like to ask for your continued support in promoting high standards, in particular punctuality to school. Lately, we have seen many students arriving late because of oversleeping or travelling too slowly to school. This does not allow us to get the day started in the best way for your child or other students at the school.

As a consequence, we will be issuing daily 20-minute detentions for any student late to school. These detentions will run from 3.00pm to 3.20pm.

As you are also aware, we are adamant that every lesson will be disruption free. When students are unable to meet our high expectations, they will be removed to the progress room and supported for the day and then kept after school for an hour's detention.

Please remember, we want to get as much time with your son/daughter in classrooms as possible. We want to help you give your child the best possible opportunity to succeed. To further support your child, I am pleased to note that our library has been refurbished and will be opened shortly. We are also shortly opening a Year 11 study room before and after school.

Thank you for your continued support.

Yours faithfully
