RE Year 11 Friday 31st January

Dear Parent/Carer,

Thank you for your support particularly in the first few weeks of this academic year in establishing a positive start to 2020. It is obviously an important term with year 11 students approaching the GCSE examination period and all other year's groups undertaking assessments and mock exams. I look forward to sharing the results of students' academic efforts with you in the coming weeks.

Please remember that the Academy has a training day this Friday, the 31st January and will be a compulsory day that all year 11 students must attend. The training day has been tailored specifically for our year 11 students where they have been allocated learning time with identified teachers. The day will be made up of exam preparation and coursework completion within option subjects as the focus. The day will help to ensure that our students achieve the maximum grades in that subject.

The Year 11 students will be able to wear appropriate non-uniform for this day only. It is suggested that students wear smart casual clothing and although pupils will be free to wear their own clothes the academy rules surrounding makeup and jewellery will still apply. School lunches will also be provided free of charge to all students.

I hope you understand and support this decision, we want to make sure that our Year 11 students achieve the best set of results possible to set them up for the wonderful future that they deserve and aspire towards.

Please note the Academy will reopen as normal to all year groups on **Monday 3rd February 2020 at 8.40am.**

Yours faithfully,

L Wild
