# Catering Services at The Albion Academy

**Caterlink are delighted to be working in Partnership with The Albion Academy and would like to tell you about us and our catering services.**

We love food and hope you will love what we provide for you at your school.

We embrace natural ingredients, love seasonal produce, and develop ethical trading with many of our suppliers. Our meat, fruit & vegetables and bakery is all sourced from suppliers as near to the school as we can. Our menu meets the **SILVER** Food for Life Standard.

## The Price is Right.....

We believe in keeping prices as low as we possibly can, so always ask about our meal deals and loyalty schemes to ensure you get the best value you can for your school meals.....all our meal deals are £2.20 and look out for our monthly promotions and special offers!

Our menus are refreshed every term to ensure we reflect the changing seasons and trends from the high street. 90% of all our food is freshly prepared from scratch on site by our team, so if you have a fantastic recipe you would like us to consider, come and talk to us at any time you visit the facilities.

Look out for our special offers and promotions throughout the year! We are also proud to say all our meals are nutritionally compliant with the Government Standards for Food Served in Schools.

You can find out more about us on our website [www.caterlinkltd.co.uk](http://www.caterlinkltd.co.uk)

Special menu

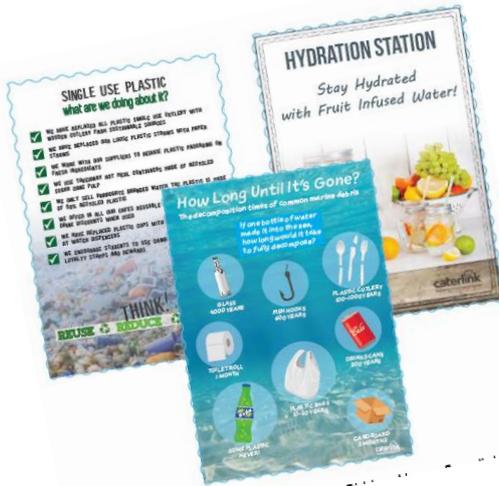

A quality chicken offer appeals to such a wide audience that it makes sense to do it right! Taking inspiration from the phenomenal success of Nandos with the younger demographic, Quirky Bird offers a world of flavour variations that can be customised with our homemade range of sauces and a myriad of side dishes.

Our Bombay Kitchen concept encompasses a wide range of Indian Street Food inspired dishes including paneer stuffed parathas, spiced chicken burgers, also tikka bites and a variety of different curry pots served to grab and go. All main options come with a choice of rice's, chutneys and breads ranging in heats, spices and tastes.

Designed to offer our customers a vibrant, flexible, fast and fun dining option that truly competes with the best on the High Street. Mexican Kitchen offers seven creative combos in three different ways – either hand held as a burrito, in tacos or piled high in a bowl. Our customers get to finish the dish just the way they like it, hot and spicy or cool and tasty.

## Waste Initiatives

There are huge environmental impacts associated with food waste, including 'direct impacts' - those incurred in the disposal process e.g. packaging, transportation, methane production in landfill and associated pollution - and 'embodied impacts' - such as the energy and water used to produce the food, the fuel used to create and transport it, and the packaging used in the various stages of production. To combat this, Caterlink have worked closely with our Sister Companies to develop effective processes to continuously assess and reduce food waste across our business. Caterlink also want to work closely with The Albion Academy to ensure that we continue our War on Waste and will be working with the Student Parliament Eco-Committee.
