Part of United Learning

3rd March 2020

Dear Parent/Carer

The Academy is committed to helping every single one of our pupils fulfil their potential and to do the best they can in their GCSE's studies. The intervention sessions outlined below have been organised to support your child in the build up to their GCSE's and to assist them to achieve the best results possible.

| Day | Subject |
|-----------|----------------------------|
| Monday | MFL, History and Geography |
| Tuesday | Mathematics |
| Wednesday | Science |
| Thursday | English |
| Friday | Study Room |

These intervention sessions are fundamental to your child's success therefore , attendance is now **compulsory** for all year 11 and non-attendance will result in your child catching up on any missed work on Friday's after school. If your child does not attend a session you will be notified via text.

May I take this opportunity to remind you that the 'Year 11 Study Room' is now open each morning from 7.30 am, lunchtimes and after school Monday to Thursday until 6pm and 5pm on Friday's for independent study.

I hope that we can continue to work together to ensure that your child achieves the success that their hard work and commitment deserves, and I would like to thank you for your continued support.

If you have any questions regarding this, please do not hesitate to contact me via phone on 0161 359 5100 or email surinder.wilkhu@albionacademy.co.uk.

Yours faithfully

S Wilkhu
