

THE GREAT EASTER CHALLENGE

THE GREAT EASTER CHALLENGE

Well done to the vast majority of students who have started to do the work we have been setting online. Over Easter we are changing the format to set you some challenges. The challenges are set below with more information on the website. Lets see how creative you are!

Challenge 1 – Science and Technology

Complete the NASA space station challenge. You will find the details on the Academy website

Challenge 2 –Technology

Task 2 on the Science NASA space station challenge. Use up-cycling to create an egg lander to safely deliver an egg to the ground. You will find the details on the Academy website

Challenge 3 – Technology

Baking challenge – pick a recipe, from the website link below, that you would like to bake.

Email your creation to Mr. Day for judgement

<https://sallysbakingaddiction.com/category/sallys-baking-traditions/sallys-baking-challenge/>

Challenge 4 -MFL

Learn about Easter in Spain!
Watch the videos and answer questions in your booklet on 'Semana Santa'.

Challenge 5 - English

It's family competition time! Your task is to invent a product and advertise it. This could involve lots of acting fun for you and your family. Get creative and find the booklet to guide you on the website

Challenge 6 – Art – The Getty Challenge

Research a famous picture by any artist. Recreate the picture using family members and props from your house. Take a photo and send it in via the e-mail on the website

Challenge 7 – Dance

Create and share with us your very own 'TikTok' style dance routine. It should include the 6 different moves.

Challenge 8 – PE

Complete the fitness name challenge. You will find details on the Website. Which famous person will you attempt to be in week 2? Your teachers will be doing the challenge as well. Can you keep up? Will your teachers be able to keep up?

Challenge 9. Humanities

We will be trying to make a virtual Salford Map out of all our favourite memories and places. Send in your pictures (drawn or photos) or pieces of creative writing about your favourite places. These could be your house, venues, places you walk your dog!. We will be trying to make a giant collage of all the work.

Challenge 10. Maths

1. Who stole the Easter bunny? Solve the clues that the evil Maths mastermind has left behind.
2. Maths heggsperts gather your team and challenge the Maths department.
