Dear Parents

### **Leadership at The Albion Academy**

We would like to thank everyone across the school for the way they have responded to the challenges of the lockdown. Staff have worked incredibly hard to put in place a strong programme of online learning for students. We would like to thank parents for all the support and encouragement you are giving to ensure that your children are properly engaging with this provision; it is so important that they continue to do so right up to the summer holidays.

At the end of the academic year Mr O'Brien will be leaving the academy to take up a senior position in another academy trust. We would like to thank him for his excellent contribution to United Learning and for the strong input he has made to The Albion over the past year as its Executive Principal.

To succeed Mr O'Brien, we are very pleased to have appointed Mr Jason Roberts as Principal. Mr Roberts is a highly experienced leader with a successful track record in schools across the North West. He has spent this academic year leading John Smeaton Academy in Leeds and is very much looking forward to taking up the post of Principal of The Albion Academy.

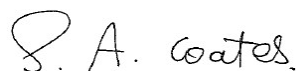

Over this half term, Mr O'Brien and he will be ensuring that there is a smooth transition between them so that the progress currently underway at The Albion can be maintained and built upon when, it is hoped, all students return to school in September.

Thank you again for your continued support of your children as they learn from home.

Best wishes

Sir Jon Coles  
Chief Executive

Dame Sally Coates  
Director of Secondary Education
