Why I wanted to be a teacher

I always wanted to work in schools with pupils that found school difficult. To help them to stay in school and finish their education.

My favourite book

As a child my favourite books were any written by Enid Blyton. They were magical and I read them every single day.

My greatest achievements

Having my 3 children that have grown up to be beautiful, kind, caring and independent. I am proud of them every single day

Role Model/s

My Geography teacher Mr Simpson at high school inspired me to do what I do today. He made sure I was in school everyday and always looked out for me.

My favourite quote

'Be who you dream you can be.' Is my favourite quote because you really can do anything in life if you set your mind to it.

My advice for Year 7

My advice to all of you is to learn lots and have lots of fun on the way.
