Dear Parents and Carers,

**RE: Provision of school meals**

Thank you for your continued patience over the course of today. I have just finished speaking to the catering managers for Caterlink and they have instructed me that for Tuesday they can only provide a lunch service for children who receive Free School Meals.

They have sourced additional staff who are due to start tomorrow (Tuesday) and will require a few hours training on systems and processes ready to return to a fuller food service from Wednesday 11<sup>th</sup> November. Should there be any significant changes I will continue to inform you via text, letter and update the school Twitter feed so that you have the information necessary.

Finally, as stated in my letter on Sunday afternoon I thank you for continuing to show the faith and support you have so far as we navigate through this difficult time, knowing that this is perhaps not the end; put hopefully the end of the beginning. Please, stay safe.

Thank you for your support and understanding,

Mr J Roberts
