7th January 2021

Year 11 Virtual Parents Evening

Dear Parent/Carer,

I would like to invite you to the year 11 virtual parents evening, which will take place on Thursday 14th January. The online event will run from 3:30pm - 6:30pm.

The purpose of this evening will allow you to speak to your child's form teacher, who will support you with any questions that you may have, given the recent announcements made by the education secretary. With the current shift towards online learning and uncertainty towards the summer exam series, you will also be given the opportunity to book an appointment with the head of year 11 and other senior members of staff. Our main priority is to ensure that we continue to support our students and ensure that each individual maintains progress during this difficult time.

The electronic event will be conducted using a system called "School Cloud" which will give you the opportunity to book virtual appointments online. Text messages and emails have been sent out to all parents. Within this message you will receive a link which will allow you to access the School Cloud website. Here you will be able to book your own individual time slots with your child's form teacher.

As always, we will continue to communicate all year 11 and whole school updates via Twitter (@AlbionAcademy) and via the school website (www.albionacademy.org).

We look forward to seeing you on the evening, as we work together to ensure that your child achieves the best possible grades for their future.

Yours faithfully

Mr S Wilkhu
Vice Principal
