

Dear Parents, Carers, and Students,

Re: Ofsted Inspection May 2023

As you will be aware the Albion Academy had a full Section 5 Ofsted Inspection on the 23rd and 24th May 2023.

I am delighted to inform you that Ofsted found the school to be 'Good' in all areas. Inspectors found significant improvements across all aspects the school since the previous inspection.

We are now proud that the local community has the 'Good' school it deserves to have and would like to thank you for your support in making this school a successful and happy place of learning. We see this 'Good' judgement as a springboard to even greater success at the Academy and will continue to be relentless in our drive to further improve for the benefit of the local community and the children who attend here.

I have attached a copy of the report for you to read as well as a communication from the Chief Executive and Director of Secondary Education at United Learning.

Kind regards,

Mathew Rogers
Principal
