## **1. Statement of Intent**

The Albion Academy believes that a consistent school uniform policy is vital to promote the ethos of the school and provide a sense of belonging and identity for all students, regardless of their protected characteristics or socio-economic circumstances.

This policy lays out the measures the school has taken to ensure a consistent, fair and inclusive uniform policy, and to implement a uniform that reflects the needs of all students, and is affordable and the best value for money for the school and students' families.

We believe that students learn most effectively and achieve their best outcomes when they are comfortable, able to be themselves, and dressed in such a way that sets an appropriate tone for education.

## 2. Legal Framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Education and Inspections Act 2006
- Education Act 2011
- Human Rights Act 1998
- Equality Act 2010
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018

This policy has due regard to all relevant guidance including, but not limited to, the following:

- DfE (2021) 'Cost of school uniforms'
- DfE (2021) 'School Admissions Code'
- DfE (2021) 'School uniforms'

This policy operates in conjunction with the following school policies:

- Complaints Policy
- Behaviour & Respect Policy

## 3. Roles and Responsibilities

The Local Governing Body is responsible for:

- Establishing, in consultation with the principal and school community a school uniform that accurately reflects the school's vision and values.
- Ensuring that the school's uniform is accessible and inclusive and does not disadvantage any student by virtue of their protected characteristics or socio-economic status.
- Ensuring that the school's uniform is accessible and affordable.
- Demonstrating how best value for money has been achieved in the uniform policy.
- Ensuring compliance with the DfE's '[Cost of school uniforms](#)' guidance.

The Principal is responsible for:

- Enforcing the school's uniform on a day-to-day basis.
- Ensuring that teachers understand this policy and what to do if a student is in breach of the school uniform policy.
- Listening to the opinions and wishes of the school community regarding the uniform and making appropriate recommendations to the governing board.

Staff members are responsible for:

- Ensuring that students dress in accordance with this policy at all times.
- Disciplining students who are in breach of this policy.
- Ensuring that students understand why having a consistent and practical school uniform is important, e.g. school identity.

Parents/carers are responsible for:

- Providing their children with the correct school uniform as detailed in this policy.
- Ensuring that their child's uniform is clean and presentable.

Students are responsible for:

- Wearing the correct uniform at all times, unless an exemption has been granted.

#### **4. Cost Principles**

The school is committed to ensuring that its school uniform is affordable and accessible to all students and does not place an unreasonable financial burden on parents/carers.

In accordance with the 'School Admissions Code', the principal will ensure that the school's uniform policy does not discourage parents from applying for a place for their child.

The school will assess the overall cost implications of its uniform policy regularly, including prior to making any changes to the school uniform.

The school will evaluate the cost of its uniform based on the overall collection of uniform items that parents would need to purchase for a student, rather than on the cost effectiveness of individual items; this will include consideration of the fact that parents/carers will need to purchase multiples of certain items, e.g., shirts and socks, to ensure their child can come to school in clean uniform every day.

The school keeps variations in school uniform for different groups of students, e.g. year group specific ties, to a minimum where possible to ensure that students can get the most wear out of their uniform possible and that parents/carers can pass some items down to younger siblings.

The school keeps branded uniform items to a minimal level that is reasonable for all members of the school community. The school defines a branded uniform item as any item of clothing that cannot be purchased at a range of retailers, including by virtue of logos, colours, design and fabrics. Where the school decides to require an item of branded clothing, it will conduct an assessment to ensure prices are kept as low as possible.

The school works with multiple suppliers to obtain the best value for money possible. Any savings negotiated are passed to parents/carers where possible and does not enter into exclusive single supplier contracts or cash-back arrangements. More information on supplier processes can be found

in the 'School uniform supplier' section of this policy. As far as budgets will allow, the school will also provide a free blazer for every student starting in Year 7 in the school

The school will not amend uniform requirements regularly and will take the views of parents, carers and students into account when considering any changes to school uniforms.

## **5. Equality Principles**

The school takes its legal obligation to avoid discriminating against any protected characteristic unlawfully seriously and aims to ensure that the uniform policy is as inclusive as possible.

The school will work to ensure that school uniform's cost does not disproportionately affect any students by ensuring that uniforms for all genders are as equal in price as possible and by adhering to the cost principles detailed in **Section 4**.

The school implements a gender-neutral uniform, meaning that students are not required to wear specific items based on their gender, and may wear any of the uniform items listed in the 'School uniform' section of this policy regardless of the legal sex recorded on the school's records.

The school ensures that students who are required to follow certain dress requirements, e.g. by virtue of their membership of a particular religious or cultural group, are afforded flexibility to allow them to wear a uniform that adheres to their requirements as far as possible. The school endeavours to meet all requests for amendments to the uniform for these purposes; however, will ensure that the needs and rights of individual students are weighed against any health and safety concerns for the entire school community.

Parents/cares' concerns and requests regarding religious or cultural clothing are dealt with on a case-by-case basis by the principal.

The school ensures that the needs of students with SEND and/or sensory difficulties are considered in the uniform policy, e.g. ensuring soft, stretchy fabrics and avoiding intricate buttons or hard seams; however, where the needs of these students cannot be met in the standard uniform policy, individual adaptations to the uniform will be considered and maybe permitted where possible.

## **6. Complaints and Challenges**

The school endeavours to resolve all uniform complaints informally at Stage (1) in our Complaints process, in accordance with the schools Complaints Policy, available via our website.

## **7. School Uniform Suppliers**

Our current school uniform suppliers

- [McLellan Clothing](#) (Online Store)
- [Mal's Schoolwear](#), 77 Pendleton Way, Salford Shopping Centre, M6 5FW
- [Whittakers Schoolwear](#) 123-125 Chorley Road, Swinton, M27 4AA

The school will retender the uniform contract every three years, whether changes to the uniform are made or not, in line with the Trust's Finance Policy. The Principal will work to ensure that the items are procured as cheaply as possible without compromising on the quality, e.g. by requesting standard-style items from the supplier rather than more intricate and unique designs.

The school does not sign contracts with suppliers before requesting visualisations of proposed uniform, as well as fabric samples.

## **8. Uniform Assistance**

School uniform can be expensive even though we try to keep our uniform as affordable as possible, we understand uniform can be an added financial constraint.

Uniform exchanges are an initiative gaining traction across the country that let parents/carers donate their old or unused uniform and exchange for ones that fit for free.

The school runs a fully funded uniform store for loans of fresh uniform to pupils, available on a daily basis following our line ups. These items are loaned for the day but must be returned to the school at day end. Failure to return these items may result in the school charging for items via Parent Pay, working on the assumption that the Parent and Pupil have purchased the items permanently.

The school also encourages the recycling of uniform no longer required for parents to access. Parents/carers are invited to donate their child's uniform when they no longer need it. Donations (must be clean and in good, wearable condition) can be dropped off at Visitor Reception.

Parents/carers can access pre-loved uniform by emailing [uniform@albionacademy.co.uk](mailto:uniform@albionacademy.co.uk) to let us know what items and sizes are required. We will do our best to provide the items requested and school will email you back when your items are ready for collection or alternatively students can collect in confidence from Student Services.

The local authority also run a free uniform exchange via the local gateways the nearest gateway to school is Pendleton Gateway, 1 Broadwalk, Salford, M6 5FX

## **9. Non-compliance**

Staff members are permitted to discipline students for breaching this policy, in accordance with the school's Behaviour & Respect Policy.

The principal, or a person authorised by the principal, is permitted to ask a student to briefly go home to remedy breaches to the school's uniform if the issue cannot be resolved through a loan from our own uniform stores. When deciding whether to allow a student to return home, the school considers the student's age and vulnerability, the length of time it will take, and the availability of the student's parents/carers.

Where a student has been sent home to rectify uniform breaches, the absence is recorded as 'authorised'. If a student repeatedly breaches uniform rules, or takes longer than necessary to rectify the absence, the absence is counted as 'unauthorised'. Parents/carers will be notified in all cases.
