

20th October 2026

Dear Parents/Carers,

As we reach the end of Half Term this Friday 23rd October, we are thrilled to report that the majority of children here have 100% attendance so far this year.

We thank you for this. Your support as parents is really important, you have the biggest effect on your child's attendance at school.

We also know children will fall behind if they miss school as well as miss out on friendships and mental wellbeing by not attending.

With this in mind we ask you to do your best to ensure your children attend for these final few days until we break up for Half Term on **Friday 23rd October**. Our attendance team is also there to help support you in this and will make contact in the event of absences.

There are also rewards and prizes for attendance happening later this week which we want your child to be part of.

Kind regards,

Mathew Rogers

Principal
