sparx

Maths. Reimagined.
www.sparx.co.uk

Dear Parent/Guardian/Carer,

Your child has now been set up on Sparx Maths for the year. We know you want to support your child's maths progress, so we are sending this letter to explain how Sparx works and how you can help your child complete their homework each week.

Students will be completing one homework each week, due every **Wednesday**.

What is Sparx?

- They will be practicing topics learnt in class and targeting gaps in their knowledge.
- Sparx provides homework for each student that is challenging, yet achievable, as well as targeting individual areas that need improving.
- Every question in Sparx has a support video attached so that your child can get help independently.

Logging On

- Head to www.sparx.co.uk or search 'sparx maths student login'. We recommend saving the page as a favourite for quick and easy access in the future.
- Login using your child's **school Microsoft account**. This is the same login students would use to get onto computers at school.
- If your child is experiencing issues logging in, then direct them to speak to their maths teacher who can help get them logged in.
- First time logging on? Please see the instructions on the next page.

Supporting your child at home

- Provide a quiet space for your child to focus on their homework each week.
- Encourage them to complete it early, so they can seek help in school before the due date if they need it, and to watch the support videos if they are stuck.

Support at school

Chromebooks and support are available in school:

- Each morning at breakfast club from 8-8:20am.
- Every break, lunchtime and after school from 3pm in **G06** and i
- Regular rewards for individual and whole class completion.

**START
EARLY**

Principal Mr M Rogers

The Albion Academy is part of United Learning. United Learning comprises: UCST (Registered in England No: 2780748. Charity No. 1016538) and ULT (Registered in England No. 4439859. An Exempt Charity). Companies limited by guarantee. VAT number 834 8515 12. Registered address: United Learning, Worldwide House, Thorpe Wood, Peterborough, PE3 6SB.
