

9th June 2025

Dear Parent/Carer,

Year 7 Parents' Evening, Thursday 19th June 2025
End-of-Year Assessments, End of June 2025

I am writing to inform you about two important events taking place for Year 7 after half term.

Parents' Evening

Please join us on **Thursday 19th June** between 3.30pm-6.30pm for Parents' Evening.
The evening will give you an opportunity to:

- Meet with each of your child's subject teachers.
- Discuss your child's progress in year 7.
- Look at the work they are doing in class.
- Find out how to support your child to prepare for the upcoming end-of-year assessments.

There will be light refreshments available, a free raffle to win a hamper of prizes and an art exhibition.

Let us know if you can make it by completing this short form- [Click here](#).

End-of-Year Assessments

At the end of June, all students in year 7 will complete End-of-Year written assessments for English, Maths, Science, History, Geography, RE and Spanish. All other subjects will receive an average mark from in class assessments taken throughout the year.

These assessments are useful for many reasons:

- To review students', progress this year.
- To inform the class sets your child will be in next year
- Teachers use the results to plan their curriculum
- For students to practice sitting formal assessments, to be fully prepared for their GCSE and BTEC exams in Key Stage 4.

Most assessments will take place in the sports hall. If your child is entitled to an exam access arrangement, we will make sure this is in place for them.

Once assessments have been completed and marked, results will be shared with students and families through an end-of-year report. We will also produce a Rank Order, to see how students have performed against other students in all subjects and to inform set changes.
