

29th November 2023

Dear Parents, Carers and Students,

I hope this letter finds you well. I write to remind you that the school has an In-Service Training Day (INSET) this Friday 1st December and as a result will be closed to students for the day. School will re-open on Monday 4th December as normal for an 8:25am start.

I would like to also take this opportunity to praise the Year 11 students who have recently completed their mock GCSEs in full exam conditions. They were exemplary throughout the exam period showing a real ambition to be the best version of themselves. Results will be given out to students soon in a formal results assembly which will replicate the feel of opening exam results in August for the students. My thanks go to Year 11 parents and carers for their support and resilience during this exam period! Parents' Evening for Year 11 is on Thursday 14th December between 3:30pm and 6:00pm - please save the date to visit the Academy to discuss your child's progress and future with their teachers.

Finally, I would like to once again stress the importance of attendance for all year groups. Our goal at the Academy is for all students to get as close to 100% attendance as possible. There is a link between high attendance and excellent exam results which is seen at The Albion Academy. We have seen that even students who have between 3-5 days off per year do not succeed quite as well as their peers in exams. Your support here as parents and carers in sending your children to school daily is vital for your child's future success and we thank you for this.

Please look out for our Christmas newsletter which will be out very soon.

Kind regards,

Mathew Rogers
Principal

Principal Mr M Rogers
