

8th July 2026

Dear Parents and Carers,

Warm Weather This Week - School Uniform

I hope this message finds you well. We are due to see high temperatures for the remainder of this week. Therefore, we are making a temporary adjustment to our school uniform policy to ensure the comfort and wellbeing of all students.

From tomorrow Thursday 9th July until Friday 10th July pupils have two uniform options while attending school this week.

The first option is for students to wear their usual uniform but with adjustments. These include:

- Ties should not be worn. Please ask that they are kept at home, so they are not lost.
- Top buttons can be undone.
- If students do wish to cover their arms, they may wear their blazer or a jumper (jumpers must have The Albion Academy's logo on it and cannot be a plain black jumper). Please do actively encourage students to remove jumpers/blazers due to the heat.

The second option is for students to attend in their PE kit. This must include:

- Black branded polo shirt
- Branded performance training and team wear shorts or leggings
- Generic black or white tennis/ankle style sports socks
- Trainers suitable for PE (fashion trainers/pumps are not suitable for PE)

Please be advised that all Year 8 pupils are expected to attend on Thursday 9th July in PE kit for their Sports Day.

We would not permit a hybrid model. Therefore, please ensure that students adhere to either the first option of the academy's adapted uniform or the option to wear the academy PE kit.

The following page on our website provides more specific uniform and PE kit guidance:

Thank you for your understanding and continued support.

Georgia Gardiner

Head of School - The Albion Academy

Principal Mr M Rogers
